**DECLARATION UNDER 37 C.F.R. 1.131**

We, Todd Brown and Joseph Meyers declare that:

1. We are the co-inventor of claims 312-438 of the above-identified patent application.
2. Prior to June 1, 1999, we conceived the idea of determining a roll angle of a vehicle and reducing or changing a tire force vector in response to the roll angle. On March 31, 1999, an invention disclosure was submitted to the Ford Global Technologies
